REGISTRAR

Please contact Camden Council to organise a registrar to have a legal wedding ceremony. This is organised by you, independently from Conway Hall, and will be a separate, additional cost.

OUR HISTORY

Conway Hall opened in 1929 and is named in honour of Moncure Daniel Conway, anti-slavery advocate, outspoken supporter of free thought and biographer of Thomas Paine.

Owned by *Conway Hall Ethical Society*, a charity, we curate, support and facilitate people and ideas that **Make Ethics Matter** in the world.

The venue is Grade II listed and offers beautiful spaces with historic features throughout, especially our Main Hall with its distinctive stage and highly-regarded acoustics.

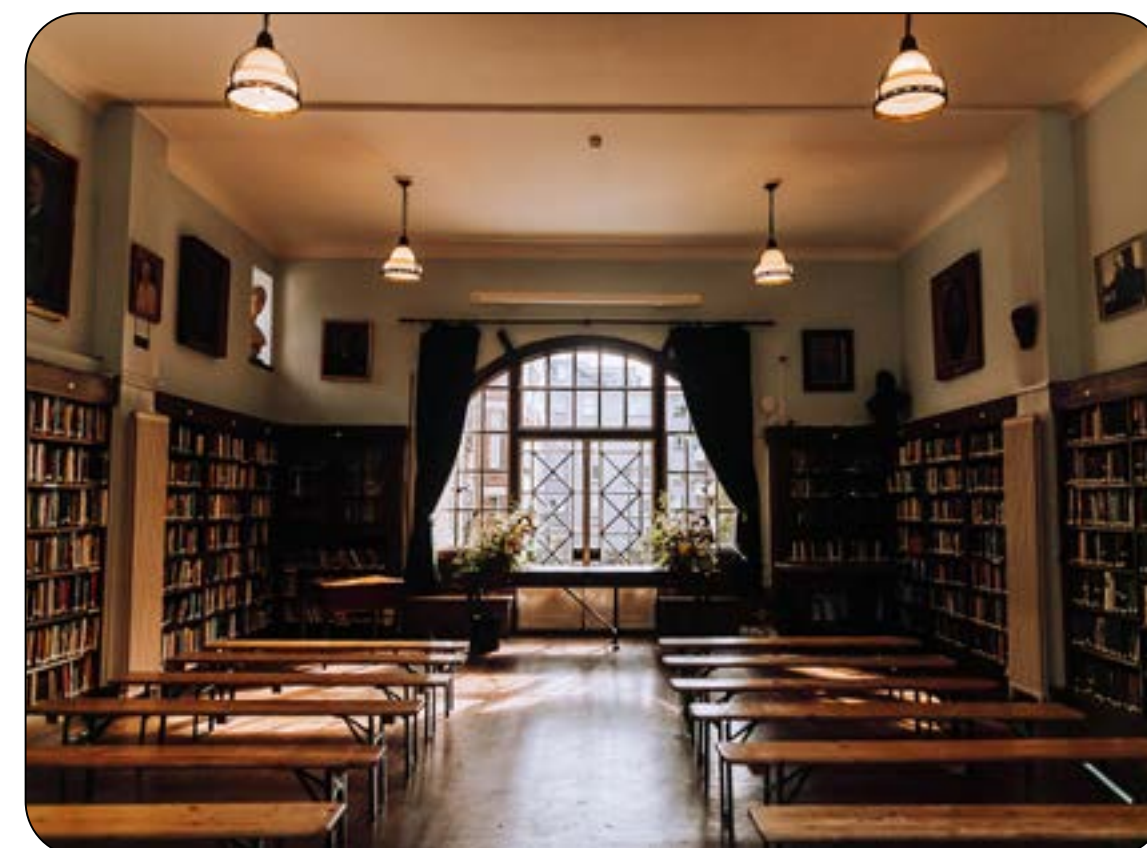

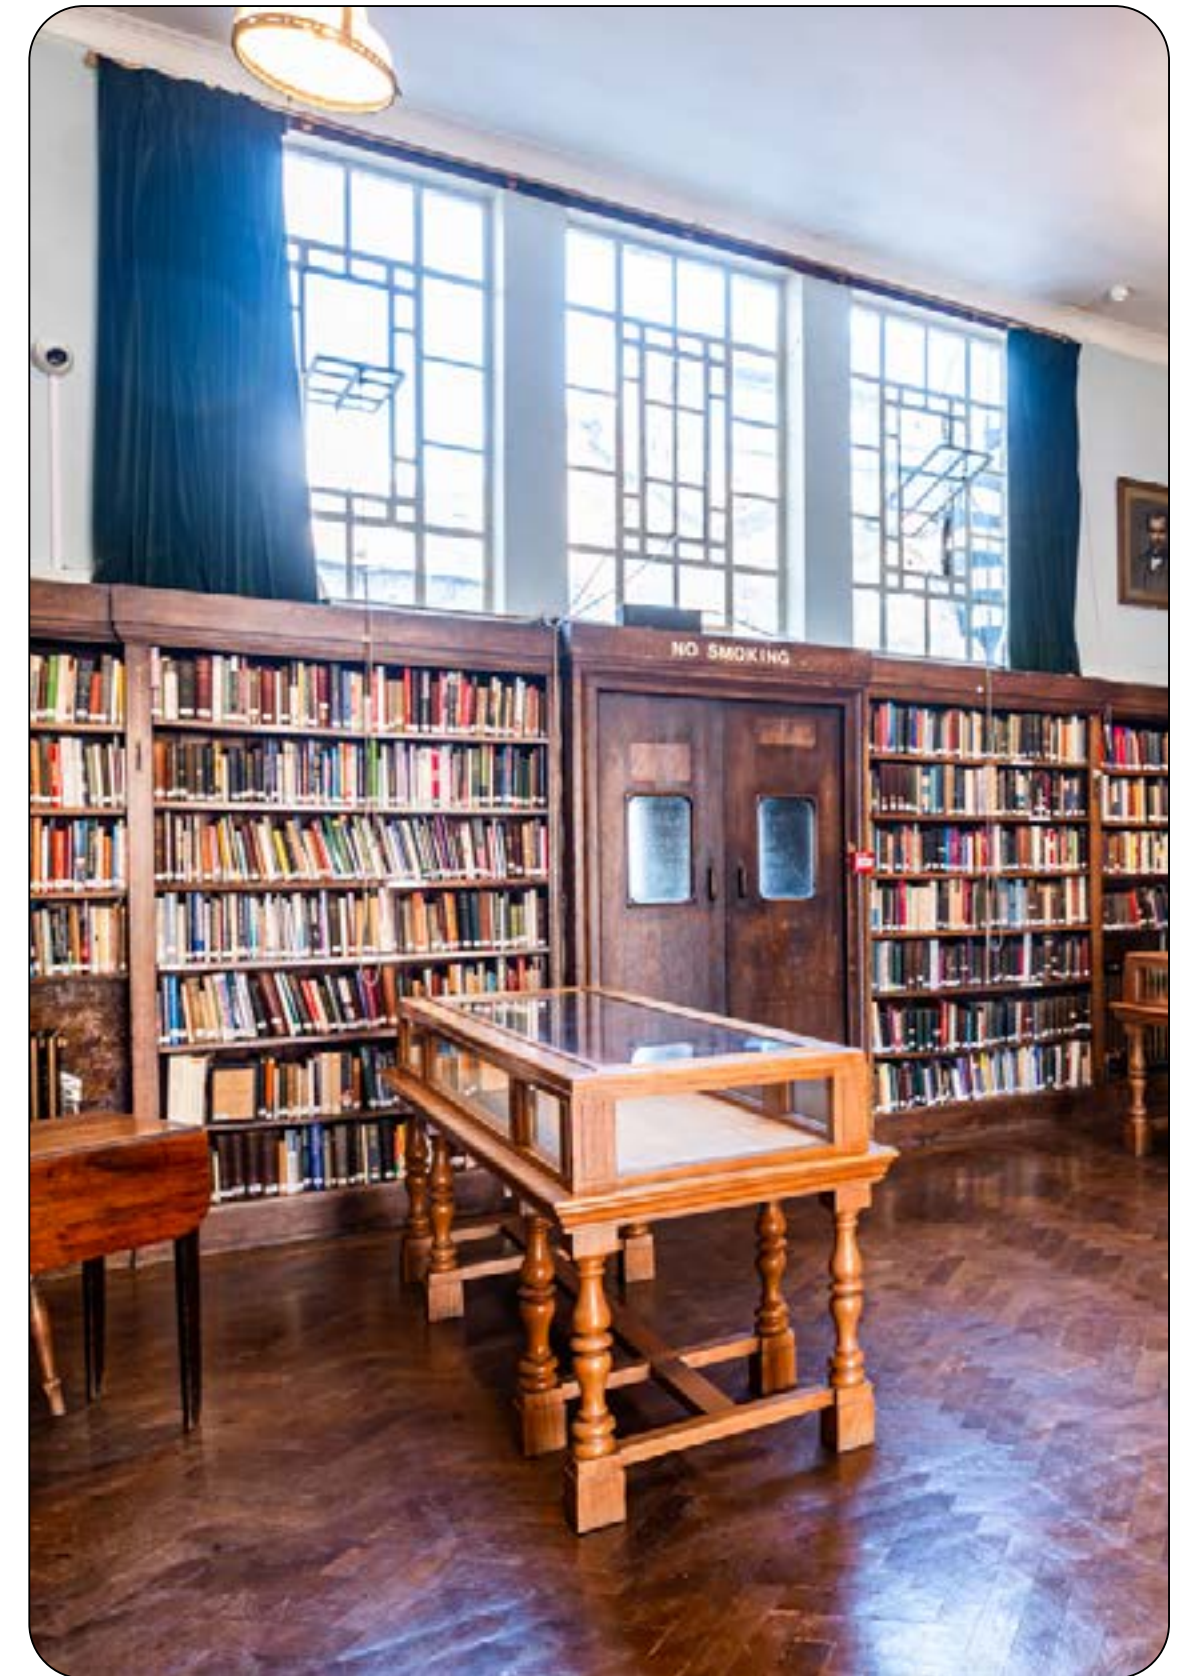

THE LIBRARY

Conway Hall is the oldest surviving freethought organisation in the world and our library holds the largest and most comprehensive humanist research resource in the UK.

Surrounded by books and historic features, you will find this a truly inspiring and peaceful space to exchange your vows.

The Library is beautifully decorated with portraits from the *Ethical Society's* rich history, as well as having floor-to-ceiling windows overlooking Red Lion Square, that fill the space with warm, natural light.

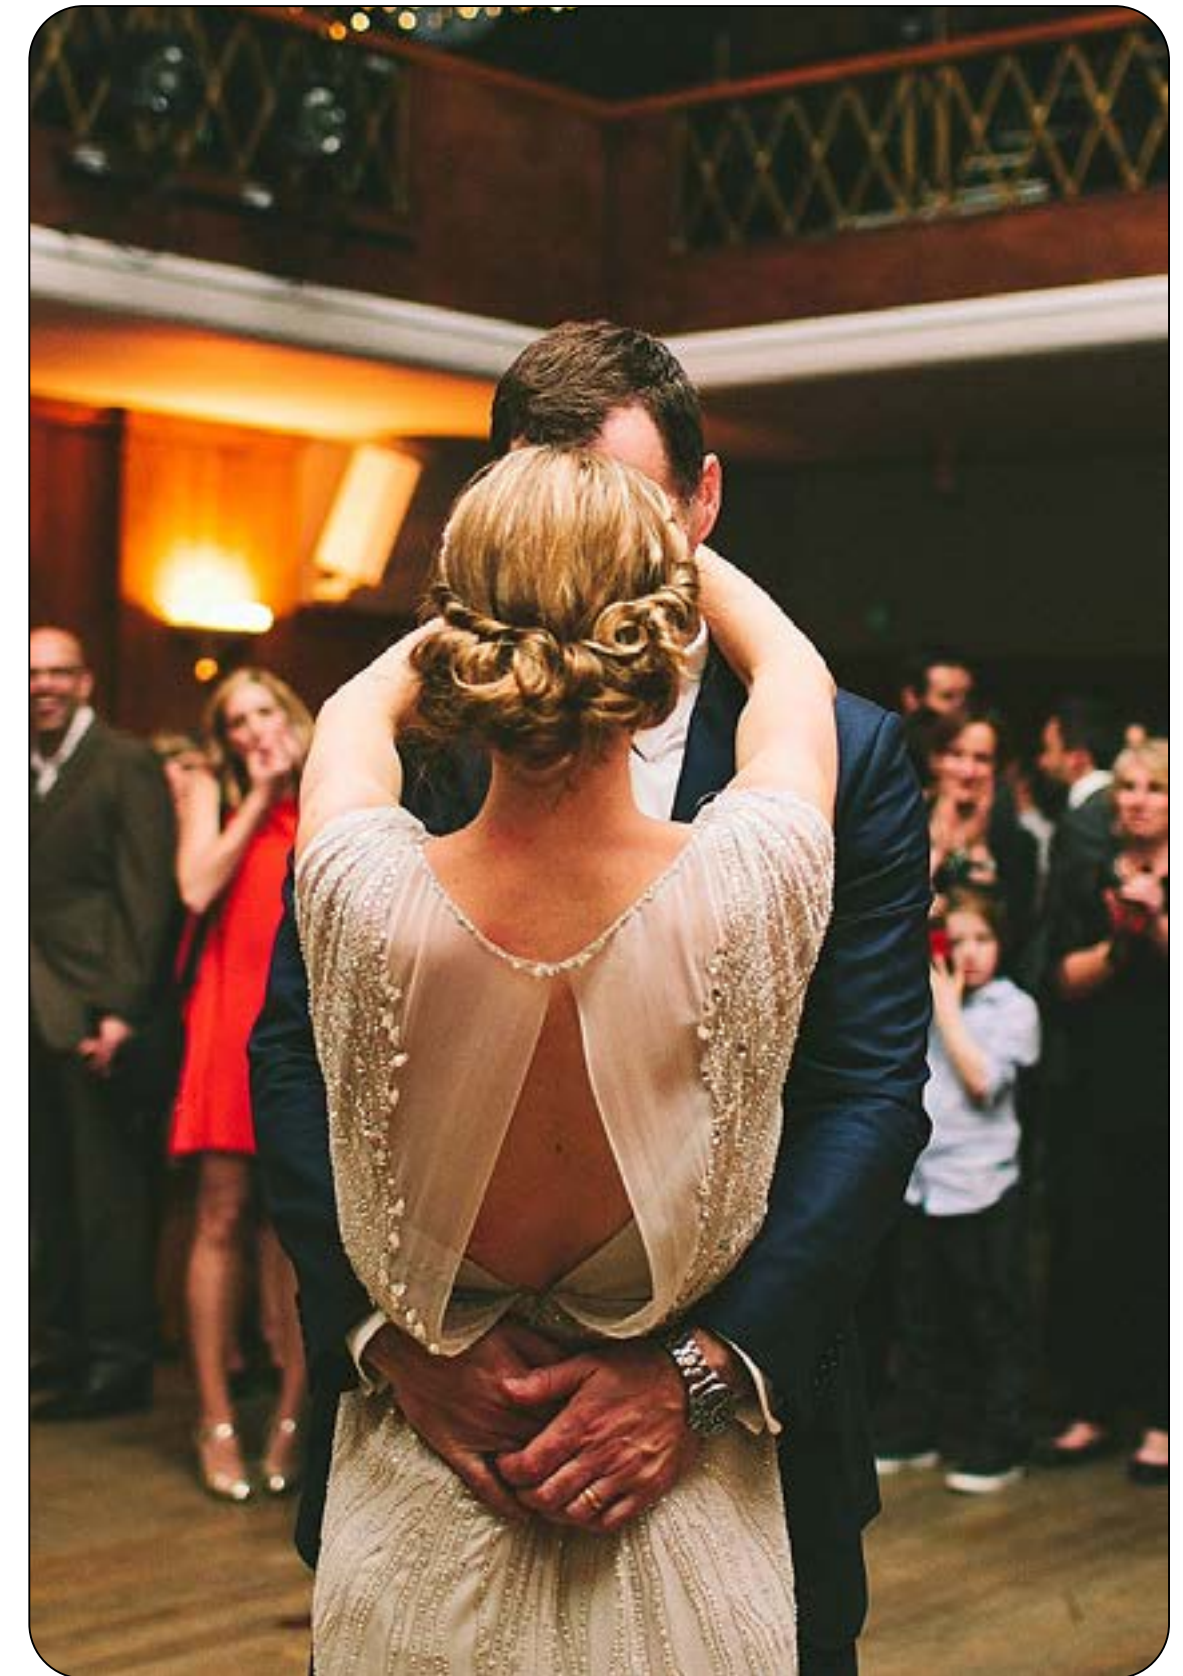

MAIN HALL

The impressive period hall with original wood paneling is the perfect location for your wedding reception.

If you are planning to include live music in your celebrations then you will be pleased to know that the main hall is internationally renowned for its excellent acoustics.

The space is also famous for hosting the longest run of classical concerts in the UK, jazz concerts from the 1930s to the 1960s, and has also hosted countless famous speakers, such as George Orwell, and historic events, including the conference of doctors that led to the founding of the NHS.

ACCESS & STORAGE

The main entrance of Conway Hall on Red Lion Square can be used for access between 8am and 10pm.

After 10pm you will be asked to use the Theobald's Road exit, as the main entrance is situated in a residential square.

We understand that you might have a requirement for deliveries and drop-offs. This can be arranged, subject to availability of space, and for an additional cost starting from £150.

CATERING

ACCESSIBILITY

Conway Hall is a Grade II listed historic building, dating from 1929. Because of this there are areas that are not currently accessible to wheelchair users and those with mobility issues. The Library is located on the first floor and only accessible by a flight of stairs.

PHOTOGRAPHER

As an enhancement to your day, we recommend a professional photographer with over 15 years of experience, to capture all the best moments of your event in a discreet, reportage style.
