FILMING & PHOTOGRAPHY

CONWAY HALL OFFERS A RANGE OF COMMERCIAL FILMING, TV, PHOTOGRAPHY AND ADVERTISING OPPORTUNITIES WITHIN OUR HISTORIC SETTING.

The Main Hall serves as a visually striking backdrop - dark wood, high ceilings and the kind of period detail you can't fake on a soundstage. The Library features our ethical book collection on its original shelving, offering a ready-made"scholarly study" or "old world office" look.

Located in Central London on Red Lion Square, our venue is equipped withadvanced AV technology, making it well suited to live-streamed projects as well as traditional shoots.

PRODUCTION BASE & MORE

BEYOND THE CAMERA...

Conway Hall also works well as a unit base for productions that need more than just a backdrop.

While our corridors, staircases and basements offer atmospheric, character-filled spaces for B-roll and our blank-canvas rooms give you a flexible space to build a set from scratch, with multiple rooms available for hire, there's room to set up production offices, green rooms or equipment storage without disrupting the shoot itself.

Our secondary entrance on Theobalds Road offers a discreet, non-public route in and out - handy for equipment load-in, cast and crew access, or simply keeping a production out of view of Red Lion Square.

IDEAL FOR:

- Production office space and crew bases
- Green rooms and cast holding
- Multi-day or multi-room shoots
- Equipment storage and load-in
- Behind-the-scenes and B-roll
